

The Steam Exchange Brewery Spring Newsletter 2006

Opening Celebrations

The Brewery finally opened its doors on the October long weekend. The opening coincided with the 'Goolwa Alive' - an event where tourists and locals enjoyed a range of fine regional food, wine and entertainment.

The ales were well received by the general public who took the opportunity to wander through the main street, markets and Goolwa Wharf area.

Angela, Gareth and Simon on Opening Night

Celebrations continued with a party held in the Brewery the following weekend to thank invited guests for their assistance in the lead up to the opening of the Steam Exchange Brewery.

Congratulations...It's a boy!

The Fennell family celebrated another new beginning with the birth of their second child. Congratulations to Simon and Rowena on the safe arrival of their beautiful baby boy.

Twilight Yacht Racing

The Twilight Series is well underway and more often than not, the perfect vantage point for race observation is from the Brewery.... so come and join us for a schooner or two.

Brew View and Tours

In addition to the stunning river views, visitors to the area are now able to view the processes of brewing and bottling while sampling the various styles of beer on tap. Tour bookings can be made for Saturday and Sunday afternoons when brewing or bottling is not in progress.

Truffles now on tap...

The first release of our seasonal beers is not a brew to be trifled with! Truffles is a dark porter style with chocolate, and vanilla overtones. A wonderful dessert style beer to savour with your favourite sweet treatmud cake anyone?

Cheers and beers from all of us at the Steam Exchange
